Mindfulness

Mindful Kids is a new enrichment class at Wise taught by Mindfulness teachers, Ian Hoge & Brooke Campanelli. This class incorporates ART, INTERACTIVE GAMES, MINDFUL MOVEMENT AND CRAFT PROJECTS into a specific mindfulness lesson each week. Each class helps kids with focus, concentration, compassion, empathy, emotional regulation and impulse control. Each hour long class starts with an engaging circle time then flows into a Mindfulness lesson. The remainder of the class will be either an art/craft project or fun activity that shows us how Mindfulness can be embodied in our everyday lives. We will incorporate tools that kids can use when they are dealing with anger/frustration and to help with emotional regulation. These life skills will be taught in a playful and tangible way so that kids can access them during moments of being triggered at home, on the playground and at school. Some of the fun activities we have done in past classes include making Slime, Bubble Art Paintings, Scavenger Hunts, Yoga Games and making Glitter Mind Jars. Open to grades K - 5th.
