Parenting Center Policies

- No refunds will be given after the first week of classes.
- There will be no make-up classes.
- We do not allow try-outs unless class has been in session for at least two weeks and we have room in the class. A day-of charge of \$45 will be applied prior to the start of class and will be applied to total pro-rated cost if registration occurs. One try-out per class per session.
- We have a minimum of six students per class. Classes with insufficient enrollment will be cancelled and we will do our best to find a comparable class for you and your child. If we are unable to find a class that works for your schedule, you will be given a refund.
- Our program welcomes family members only. We do not allow nannies or babysitters to attend our classes, unless noted.
- We offer a 15% refund on the second twin enrolled in the same class. Refunds will be given after both children have been registered online. Please call Nicole Mevorakh once you have received confirmations for both children to request 15% refund.
- No prorating for Summer classes
- In the event that a class is divided into two groups, it is at the school's discretion to create class assignments
