

STEPHEN WISE TEMPLE WISE SCHOOL

Fall 2019 Enrichments

Minecraft

Come join us to learn about and play the most popular computer game on the planet! Learn Minecraft building techniques, details of command blocks, and how to change the look of the game. Kids learn strategy, team building, and cooperation skills while playing Minecraft in a fun, safe, and supervised environment!

- Facilitator: Parker Anderson Enrichment
- Max Capacity: 8
- Days Offered: Mondays
- Price: \$245

Tennis

Learn tennis on the perfect sized mini-tennis court! We provide the racket, softer and larger low-bouncing balls and teach children forehands, backhands, and the basics of rallying. Then children incorporate their skills into games like "Catch the Mice", "Feed the Monkeys", "Skyball", and "Castle". All children earn a medal! Taught by Higgins Tennis certified pros. Learn more at: higginstennis.com (We go indoors if rain and use our indoor curriculum.)

- Facilitator: William Higgins Tennis
- Max Capacity: 8
- Days Offered: Tuesdays
- Price: \$450

Spanish

This class is designed to make sure students learn Spanish with fun activities, videos, games, even crafts. It's a natural and exciting way to learn. There is an emphasis mainly on the development of listening and speaking, but also writing and reading skills. Students will learn practical vocabulary words and phrases. ¡Es muy divertido!

- Tutor/instructor: Jose Estrada
- Website: www.talktomeinspanish.com
- Facilitator: Talk to me in Spanish
- Max Capacity: 12
- Days Offered: Tuesdays
- Price: \$380

Fun & Sports

Fun & Sports is excited to be coaching and teaching proper fundamentals in all sports, games, and activities. Sports to be taught and played: Basketball, soccer, t-ball, and flag football. In between the sports our coaches will also teach and play age appropriate games that will encourage sportsmanship, teamwork, listening/concentrations skills, a positive attitude, good manners, and the value of hard work to help carry over into the classroom and throughout the school year. We ensure that all our students walk away with a sense of accomplishment, having learned everything necessary to play the sports and activities on which we have focused while remembering the thrill of playing and competing outdoors.

- Facilitator: Fun & Sports
- Max Capacity: 12
- Days Offered: Mondays
- Price: \$245

Yoga

Rock Zen Roll is comprehensive and upbeat movement-based experience for children to explore their best self, practice mindfulness, build confidence and exude independence. Students will focus on their physical and emotional development through the combination of playful yoga postures and mantras, pranayama breathing, and vibrant music. Rock Zen Roll yogis will learn to breath in the moment, take what they learn on the mat and implement into their daily lives.

- Facilitator: Rock Zen Roll Yoga
- Max Capacity: 10
- Days Offered: Tuesdays and Wednesdays
- Price: \$350

Soccer Shots

Soccer Shots focuses on individual skill, fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Children will also be introduced to competition in a developmentally appropriate manner. Soccer Shots uses soccer as a platform to teach children character development skills.

- Facilitator: Soccer Shots
- Max Capacity: 8
- Day Offered: Tuesdays
- Price: \$280

Chess

Chess4Everyone: This is neither a beginner nor an advanced class; it's both! In this course Kids To Kings welcomes students of all ages and experience levels. Players that are new to Chess will be introduced to The Game of Kings and learn everything from the names of the Chessmen all the way to special moves like Castling. For more experienced players we will go beyond the basics to explore Chess strategy, technique and style! The class will be fun and upbeat and will include gameplay, puzzles, technology, and group activities. And there will be something challenging for all involved. This is truly Chess 4 Everyone!

- Max Capacity: 12
- Time / Days Offered: 2:30 p.m. Wednesdays
- Price: \$450

Chess 2.0 (Advanced Chess)* In this class for more experienced players we will be taking Chess education to a higher level. We'll begin with a lightning fast review of the rules of the game but quickly move beyond that to dive into Chess strategy, technique, tactics, and style! And there will something challenging for all involved. The class will be fun and upbeat and will include gameplay, puzzles, technology, and group activities.

* All students should be confident in the basic rules of Chess. This is a perfect follow up class for any children who previously attended Beginners Chess.

- Facilitator: Kids to Kings
- Max Capacity: 8
- Time / Days Offered: 3:30 p.m. Wednesdays
- Price: \$450

Basketball

Develop your basketball skills in this fun, educational, and active class! Students will learn the fundamentals of each position and basic basketball strategies as they hone their shooting, dribbling, passing, defending and ball control skills! Our emphasis is on sportsmanship, teamwork, and character development. Join us!

- Facilitator: Parker Anderson Enrichment
- Max Capacity: 8
- Days Offered: Mondays
- Price: \$245

Cheer and Fitness

Cheer class emphasizes fitness and cheerleading techniques. We will promote teamwork, school spirit and self-esteem. We will cover the importance of nutrition and taking care of our bodies to build our confidence and spirits. We will teach a dance and multiple cheers, tumbling, and incorporate them into cool routines!

- Facilitator: Parker Anderson
- Max Capacity: 8
- Days Offered: Wednesdays
- Price: \$320

Hip Hop

Hip Hop Dance provides a freedom of movement in a fun & free atmosphere. With exciting dance steps and challenging combinations, children learn to control & coordinate their bodies while working together to produce entertaining dances!

- Facilitator: Parker Anderson Enrichment
- Max Capacity: 8
- Days Offered: Thursdays
- Price: \$310

5-Eleven Basketball

Come train like the pros. All levels welcomed. The weekly one-hour basketball skills classes are offered to kids grades DK-6. Classes are energetic, participative and fun. Each week young players are introduced to new individual and team drills encompassing the five target areas. Drills will cover ball handling, shooting, passing, defense, agility, plyometrics, and team work. During class, every child has their own basketball so that the activity is constant.

- Facilitator: 5-Eleven Hoops
- Max Capacity: 8
- Days Offered: Thursdays
- Price: \$420

Dance

Kids Dance Studio provides a freedom of movement in a fun & free atmosphere. With exciting dance steps and challenging combinations, children learn to control & coordinate their bodies while working together to produce entertaining, choreographed routines!

- Facilitator: Parker Anderson Enrichment
- Max Capacity: 8
- Time / Days Offered: 2:30 p.m. Fridays
- Price: \$290

Lionheart Fitness

Welcome to Lionheart Fitness Kids! Our classes run in 5-week sessions. Each session we will be focusing on a different sport. Our first session we will be offering BASEBALL! All of our classes are run by amazing coaches, who not only are certified to coach using our Lionheart Fitness Kids curriculum but all LOVE what they do.

- Facilitator: Lionheart Fitness
- Max Capacity: 12
- Time / Days Offered: 2:30 p.m. Fridays
- Price: \$355

Mad Science

Discover the mystery in chemistry by exploring physical and chemical reactions. Learn about conductors, insulators, transistors, current and other elements of the world of circuit electricity. Learn the fundamentals of flight by building your own stunt planes! You'll be a Top Gun before you know it! Experiment with gravity, inertia and centripetal force. Learn the science behind illusions and mind-reading! It's not magic-it's science! Discover the hidden strength of triangles, arches and cylinders to build your own super-structure! Uncover the science behind aerodynamics and the properties of air. Make air pockets with zing and levitate ping-pong balls! Explore how meteorologists study weather and how clouds form. Learn how air temperature affects weather.

- Facilitator: Mad Science
- Max Capacity: 15
- Time / Days Offered: 2:30 p.m. Fridays
- Price: \$325

Robocoding

Coding without a computer? It's the best way to start! Nexlore Robocoding gives students a hands-on introduction to the fundamentals of both coding and robotics, allowing them to build and execute programs in the real world! With award-winning Cubelets kits, students combine robotic cubes—each with their own unique function—to create machines that can light up, move, and interact with the world around them. Students gain an in-depth understanding of fundamental concepts like inputs, outputs, and processing, and discover how simple building- blocks can come together to perform more and more complex tasks. By working together to solve coding and building challenges, students also reinforce essential life skills like teamwork, communication, and problem-solving. To learn more and to watch a video of Robocoding in action please visit us at <https://nexploreusa.com/programs/nexplore-robocoding/>

- Facilitator: Nexlore
- Max Cap: 8
- Day Offered: Mondays
- Price \$300

Sculpture

Students learn how to make figurines, mosaics, multi-media sculptures and more while they learn about famous sculptors like Jeffrey Koons, Kenneth Price and Walter Furlan! We teach the principles of sculpture and allow students to explore with various media. Come join the fun!

- Facilitator: Parker Anderson
- Max Cap: 8
- Day Offered: Mondays
- Price: \$280

Animal Invasion

Animal invasion is a class for all animal lovers! Your child will experience and interact with all kinds of amazing live creatures including Reptiles, Amphibians, Mammals, Birds, Insects and more! Don't miss out on all the fun, games and most importantly the animals!

- Facilitator: Parker Anderson
- Max Cap: 8
- Day Offered: Tuesdays
- Price: \$320

Dino Robotics

In this unique course, developed by Stem&More's team of experts, kids will enter the fascinating Jurassic world while building challenging robot models of dinosaurs. Building these one of a kind dino-robots will introduce students to the fundamentals of robotics. As kids use infra-red remote controls, transmission gears and other electronic tools, they will develop thinking strategies, motor skills and dedication. Students will also have the chance to experiment in archeological digs, in which they will study fossils of a variety of dinosaurs. Join us in an amusing and engaging journey into the past and the future!

*Kids will take home every model built throughout the course!

- Facilitator: STEM&More
- Max Cap: 12
- Day/Time Offered: Thursdays 2:30pm
- Price: \$350

Young Aviator

This course focuses on aviation, aerodynamics and rocketry science. Students will explore wing designs, propulsion methods, gravity, jet engines and motors. With a set of experiments and work sheets, the students will experience first-handedly the assembly of different flying machines such as wood planes and electric drones.

*Students will take home every model built throughout the course!

- Facilitator: STEM&More
- Max Cap: 12
- Day/Time Offered: Thursdays 3:30pm
- Price: \$350

Soccer Stampede

This fall's soccer development program will strengthen each participant's physical skills and physical literacy through fun and energetic drills, games and activities. Students enrolled in this class will learn the fundamental soccer techniques for defending the ball, scoring and working as a team to create opportunities for teammates to score.

- Facilitator: Arc Enrichment
- Max Cap: 12
- Day Offered: Wednesdays
- Price: \$330
